Additional Feedback

I'm interested in and/or have questions about the following.....

Missed Classes: If a class is cancelled by Riverbirch, we will offer a make up class or offer a credit for a future class series. If you miss a class, please understand that you have paid to reserve your space in class & to ensure that the series is offered ... and that except in very unusual circumstances, refunds & credits will not be issued. If you must miss a class, consider coming to the other morning or evening class that week instead as an alternative to missing completely.
